

This MEDICAL SERVICES FACILITATION AGREEMENT AND GENERAL RELEASE is made on \_\_\_\_\_, by \_\_\_\_\_ (Hereinafter referred to as "Patient") and Global Excellence, LLC (hereinafter referred to as "GME" and sometimes referred to in this Agreement collectively as the "Parties").

1. GME is engaged in the business of medical tourism and medical services marketing. It provides access to excellent surgical care on an international basis. Its sole purpose is to facilitate or refer the patient to one of our Affiliated Providers for the Patient to make the decision on which route they will take for their required medical procedure.
2. For the purpose of this Agreement and with regard to the Patient, the parties acknowledge that GME acts only in the capacity of facilitator and/ or coordinator. GME is not the Patient's treating physician or any other medical provider. GME does not perform any surgery or medical procedure. Patient acknowledge the she/he has conducted the necessary due diligence and has decided to seek treatment with no influence or pressure from GME.
3. GME will use its best efforts to assist Patient in resolving any issues related to the products or services delivered or rendered as a part of the Package or any of its components (surgery, hotel, travel, and any other accommodations as requested by the Patient). The Patient understands that GME offers no insurance, guarantee or warranty in any respect related to products or services delivered or rendered by third parties. Any dispute or claims against a third party providers (i.e surgeon, medical facility, airline, etc.) which cannot be resolved in good faith through the efforts of GME will need to be resolved by the Patient and third party service provider(s) by arbitration pursuant to laws of the country where the services were performed.
4. The total price quoted by GME is an estimate of the total cost of services but does not include unanticipated cost that are unrelated to the desired procedure, complications that are unrelated and/ or not detected prior to the procedure. These charges would be in addition to the total cost of the Package indicated in the initial price quotation.
5. Method of payment and payment arrangements for each Package may vary based on the requirements of the doctors, medical facility and travel providers in a particular country. Patient may be required to pay the entire amount for their Package directly to GME or the Patient to pay the cost of their Package directly to the third party provider or any combination thereof. In most cases half of the estimated total price for the Package is due and payable prior to patient's departure to their destination country. The Package is subject to cancellation unless Patient pays. However in all cases, full payment must be made, and cleared the bank completely before any procedure can take place.
6. GME offers no medical opinion or advice of any kind on any medical procedure. Information provided by GME is based on the best publicly available information and is not intended in any way to be used as a substitute for advice from the Patient's Physician.

7. All Patient medical records received by GME will be held in the strictest confidence in secured electronic files.

8. With the previous item in mind, Patient hereby accepts full responsibility for their own safety and expressly assume all risks of harm. whether foreseen or unforeseen, and whether occurring while travelling, during pre/post-operative care, during the desired procedure, at any time. Patient acknowledge that GME services only as a facilitator and coordinator for the Package and that ultimately the extent, nature and scope of treatment received by Patient was the Patient's decision alone. GME will assist the patient in mitigating the risks associated with medical travel through third party contracts that the patient may want to enter into. GME does not sell insurance of any kind, but deals exclusively with insured, JCI accredited hospitals, and providers access to insurance companies. GME uses its best efforts to provide a wise range of option for the Patient to consider and consult with their Physician. In some cases, GME will provide an option for the Patient to be treated in a Non-JCI Hospital. GME will disclose the details of the Hospitals and the Physician providing the requested medical services to the Patient. All Medical services are provided by medical professionals who are not employees of Global Medical Excellence, LLC.
